**HOLY TRINITY CATHOLIC COMMUNITY**

Our Catholic teaching that the Eucharist is the Body and Blood of Jesus, not bread and wine, is clearly taught in the Bible and throughout the 2,000-year tradition of the Church.

The teaching of Jesus in the sixth chapter of John's Gospel is very clear: "Amen, amen I say to you, unless you eat the flesh of the Son of Man and drink His blood you do not have life within you. Whoever eats My flesh and drinks My blood has eternal life and I will raise him up on the last day. For My flesh is true food and My blood is true drink. Whoever eats My flesh and drinks My blood remains in Me and I in him" (John 6:53-56).

How does this change take place? It happens during the Eucharistic prayer of the Mass.

At that time, the bread and wine are changed into the Body and Blood of Christ, as the Church has always taught. Although they still look like bread and wine, they have, by divine power, actually changed into His Body and Blood. How can we know this? It requires faith. It is a mystery which, like love, we will never fully understand. The Trinity, the divinity of Jesus, His death and Resurrection are other mysteries which, along with the Eucharist, we will never fully comprehend in this life.

Catholic teaching on the Eucharist gives great inspiration and strength to believers. Jesus is really present and, under the appearance of food, nourishes us for our journey through life.
