## COMPLIANCE WITH MAILBOX SIZE

USAFE is scheduled to migrate to a AF-wide Network Operations Standard over the next couple months. This requires all USAFE bases to be within compliance with AF level directed email box size limits. All USAFE bases have been given a deadline to accomplish this task. Lajes is leading the way with a USAFE 8 March deadline.

To ensure we meet this USAFE-level suspense and minimize user impact, the 65th Communications Squadron has targeted March 8 to attain base-level compliance. To be successful, we request each user perform the following steps for both personal and organizational Outlook Mailboxes immediately. Please check your mailbox sizes.

1. Open Outlook.
2. Right click on your mailbox title bar, it should be shown as "Mailbox - Last, First..."
3. Click Properties for "Mailbox - Last, First..."
4. Click Folder Size
5. A window will open displaying your overall mailbox size as well as list the size of the subfolders within your mailbox.

By examining your subfolders you can determine where you need to clean up you mailbox. Remember that your Deleted Items and Sent Items folders count toward your mailbox total and those should be the first to be cleaned up.

The following mailbox sizes are authorized limits based on positions:

All CC's, Chiefs and Executive Org boxes will be restricted to a maximum of 1Gb

- Wing Staff 2 letter leads, mission critical org boxes, and First Sergeants will be restricted to a maximum of 500Mb

- All others users will be restricted to a maximum of 100 Mb

Mailbox size limits will be applied to all Lajes personnel on 8 March, so please do not delay in checking and cleaning up your mailbox. If you are over your authorized limit you will lose send and receive capability.

Just as a reminder, this only applies to your "Mailbox - Last, First...". Most users have created a Outlook Personal Folder File (.pst) to archive e-mail, the size of your .pst does NOT count toward your overall size limitation.

## CAIB MEETING

The next Community Action Information Board (CAIB) will be held April 28 at the Conference room in Bld. T-100 at 9:30 a.m. For details, call R.J. BAPTISTA, CIV, CAIB Executive Director, at 535-HAWC.

## REFLECTIVE BELT ROE REMINDER:

AFI 91-207 USAFE Sup:

feasible, military personnel in uniform must wear reflective accessories during periods of reduced visibility (hours of darkness, inclement weather, etc).
