### **BETTER BUSINESS BUREAU (BBB) TOP SCAMS OF 2010**

<https://www.affirst.org/skins/affsc/resources/common/clear.gif>

1. Job-hunting scams: they advertise fake jobs in an effort to get your social security number or bank account information. Only deal directly with the employer or well known placement agencies if you are looking for work.

2. Debt-relief services: they require you to pay money upfront and then they don't do anything for you and you never hear from them again.

Start by talking to a consumer credit counselor. Contact the National Foundation for Credit Counseling at [www.nfcc.org](http://www.nfcc.org) where you can access one of the 800 member agencies in their network.

3. Work-from-home schemes: this scam has been around since the 70's and we even see yard signs in our area advertising this opportunity. It must still be working otherwise it wouldn't be on the top ten list. Scammers promise to give you secrets to finding work to do at home or

they sell you craft kits that you must assemble for which they will pay you. Then when you send them the completed kits, they tell you the work doesn't match up to their standards. The BBB reminds consumers to be mindful of scammers and if you have any questions contact the BBB online at [bbb.org](http://bbb.org) or your local office.
