WORLD HABITAT DAY OCT 3

On October 3rd, Lajes will celebrate World Habitat Day. This year World Habitat Day focuses on Cities and Climate Change. With

most of humanity now living in towns and cities, the greatest impacts of disasters resulting from climate change begin and end in cities. Together, we can do something for the future of our planet by taking smart growth solutions that will reduce our dependence on foreign oil, create a more resilient economy, assure a healthy population, foster more equitable development, and expand transportation and housing options for all. It's time to act before it's too late, so contribute for a Greener Future and a Sustainable Living Standard by starting to improve the sustainability of your home. Go to this helpful hint: <http://www.worldgreen.org/>

This link contains checklists that will help you evaluate how sustainable your home is, as well as provide ideas for increasing home sustainability that include many no or low cost actions, like decreasing the amount of water used and the amount of waste.

To teach your Kids about Climate Change, go to <http://climate.nasa.gov/kids/>

LAJES AGAINST DRUNK DRIVING NEEDS VOLUNTEERS

Please help save a life and a career by volunteering with Lajes Against Drunk Driving (LADD). The process is simple! If you receive a call during the time you volunteered, you'll go pick up the member in need of a ride and take them home. You can be on call at home, at the movies, on a date, anywhere-as long as you are able to pick up the person when they call! Check out [the schedule link attached](#) and sign up! You can volunteer for any combination of the four shifts each weekend whether it is one or all four. We will also need drivers for this Sunday night due to Labor Day weekend. For more information please see your squadron representative or contact one of the following LADD scheduler: MSgt Scarlet Williams at
