

# TWO THOUSAND TWELVE IS THE YEAR OF THE GIRL

Girl Scouts of the USA  
is declaring 2012 the  
Year of the Girl.

On the heels of 100 years  
of developing girls of  
courage, confidence, and  
character, the Year of the  
Girl is our move to rally  
the world around the  
cause of girls' leadership.

We are working to break  
down societal barriers  
that hinder girls from  
leading in their own  
lives and from achieving  
success in business,  
technology, science,  
and virtually every other  
walk of life.

Together, we can get  
her there. To learn more,
