CONTINUOUS SCHOOL IMPROVEMENT (CSI)

To assist you in helping your child with the Lajes E/HS goals, we will be sending out a weekly CSI (Continuous School Improvement) Tidbit. Please see below authentic strategies that you can work on with your child.
Goal 1: All students, by 2014, will increase their proficiency in critical reading through improvement in analyzing text in all content areas as measured by system-wide and school based assessments.

- Create a time line during a vacation. Include the date, time, and the activity involved throughout the day.
Goal 2: All students, by 2014, will increase their proficiency in math through improvement in number relationships and application across the curriculum as measured by system-wide and school based assessments.
- Count by twos while climbing up the stairs or count the number of pairs of two's you counted and turn it into a multiplication problem.
In addition, you can help the school by sending a response email, telling us how you are working on the above strategies at home or photos to help us document evidence of your child working on the goals at home!
