

## What is TAP?

TAP is the Transition Assistance Program. It is intended for people who are separating or retiring from the Armed Forces.

If you are within 1-2 years of retirement, then this is the class for you.

The class is designed to share best practices for transitioning into the civilian workforce. You will take this information and create an ITP (Individual Transition Plan) that works for you.

Class is 6-10 May at the AFRC. You must register by COB May 3, 2013. Call 535-4138 to register.

The next class will be offered 5-9 August.
