provides critical information via text messages, e-mails, and computer pop ups. Update your information today.

Do you know where your SIP room is? If not please contact your Facility Manager!

In Case of
Emergency Call
DSN: 911
Cell: 295-57-1911

BE READY Mobile App is now available

This app offers the user (military, civilians, contractors, and family members) key resources and personalized selections needed for a disaster/hazard emergency. It includes a list of all the threat information contained in the Air Force Emergency Preparedness Guide.

<https://itunes.apple.com/us/app/air-for...ce-be-ready/id660883197?ls=1&mt=8>
<https://play.google.com/store/apps/details?id=air.com.ara.brapp>

It also includes a functional and customizable emergency supply checklist along with a function that allows users to add important telephone numbers, websites and an option to develop a family emergency plan. Additionally, the family emergency plan function allows members to add important data such as family information, insurance policy information, utilities information and much more.

If you need more information contact your Emergency Management office.
